Many thanks to Ray's Reproductions for bringing the calendar to life.

Borough of Westwood – Garbage/Recycling Information

The Recycling Center is located on Harrington Avenue and Sand Road and is open Wednesday's 6:30 am to 3:00 pm and Saturday from 8:00 am to 12:00 noon. The center will be closed on all Federal Holidays. Holidays that fall on a Saturday will be celebrated on Friday. Holidays falling on Sunday will be celebrated on Monday.

Garbage Collection is Every Tuesday & Friday Year Round, Town Wide

All garbage/trash will be picked up curbside. Garbage cans cannot exceed **32 GALLONS**. Plastic bags not in a container may not exceed **50 LBS**. There is a limit of **6 ITEMS** per pickup. If you plan on moving, "Think Early." You are allowed only 6 items which includes your household garbage. If you have an excess amount of garbage you have to contact a private garbage hauler.

Garbage **MUST** go out the night before the schedule pickup (no earlier). The carter will not return if the trash is not on the curb or put out on the wrong day. If in doubt, please call the DPW at 201-664-2349.

There Will Be NO Garbage/Recycling Collection On These Days:

New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day.

Recycling Collection (Every Wednesday)

- ❖ Single Stream Recycling – All recyclables (glass, plastic, aluminum tin, paper and cardboard) can now be put in one container. There is no need to separate these items for recycling pick up.
- ❖ Plastic bags **CANNOT** be recycled with regular recycling.
- ❖ **Recyclables MUST be at the curb by 6 a.m.** In the event of heavy snowfall or flooding, collection may be cancelled until the next regularly scheduled pick up date.
- ❖ **DO NOT** put any recyclables in plastic bags. Newspapers may be put in paper bags.

- ❖ Only **CLEAN #1, #2 and #5** plastics, aluminum and "tin" (steel/ferrous) cans, glass bottles (all colors), and **CLEAN** paper and cardboard should be included in your comingled collection.
- ❖ A plastic bag drop box is located at the Municipal Complex, 1st Floor.

METAL (Appliances) – All types of metals must be recycled. Metal will be picked up by appointment by calling 201-664-2349.

PAINT – If paint is latex, take off cover, let dry and put out for garbage collection. If paint is enamel, it must be taken to Bergen County Hazardous Waste Collection Day. The number for BCUE is 201-807-5825

USED MOTOR OIL RECYCLING – Bring used oil in a sealed container to the Recycling Center. There must be nothing but used oil in the container.

ELECTRONICS MUST BE RECYCLED – They cannot be put in garbage. Westwood residents are requested to drop off the following items to the recycling center: computers, lap tops, monitors, keyboards, printers, fax machines, modems, speakers, TVs (not consoles), radios, telephones and VCRs.

**NO PROPANE TANKS, TIRES OR BUILDING MATERIALS
ACCEPTED AT THE RECYCLING CENTER.**

BATTERY RECYCLING – If it is Rechargeable, it is Recyclable. To prevent short-circuiting of non-alkaline batteries for recycling, residents must individually bag each battery or tape each of the terminal ends prior to recycling. Used car batteries may also be brought to the Recycling Center.

Christmas Tree Recycling will be Monday through Friday, beginning December 27, 2022 through January 3, 2023. Trees must be placed on curb. After January 3, 2023 all trees must be brought to Recycling Center.

Grass And Yard Waste

Grass/yard/branches/waste collection will begin on Monday, March 13, 2023 and will continue until October 17, 2023. Zone 1 will be picked up every Monday; Zone 2 will be picked up Tuesday. Grass/yard waste must be in containers. Cardboard boxes are acceptable containers. Nothing in a plastic/paper bag will be picked up. In the event of a Monday holiday, Zone 1 collection will be the next day, Tuesday.

- ❖ All grass yard waste must be in container not larger than a **32 GALLON** can or exceed **50 LBS.** and out by 6:30 a.m.
- ❖ **Branches** can be put out with yard waste. They are to be tied into 4 foot bundles. Limit is 6 bundles. Branches will not be collected in November or December. January through March they will be picked up by appointment.
- ❖ As with all recyclable materials, grass and yard waste may be brought to the Recycling Center. Grass must be separated from other materials.
- ❖ **LOGS WILL NOT BE ACCEPTED.**

POLICY AND REGULATIONS

SUMMONSES CAN AND WILL BE ISSUED TO RESIDENTS NOT COMPLYING WITH THESE REGULATIONS

- ❖ **Yard Waste Removal** – Residents/landscapers are not permitted to put or leave debris in roadway. Except during fall leaf collection schedule.
- ❖ **Snow/Ice Removal** – The shoveling or throwing of snow upon a public thoroughfare or street is expressly forbidden. In the event the Borough shall incur costs for the removal of the snow from the public thoroughfare, such costs shall be charged against the owner of the real estate from which the snow was dumped or thrown upon the public thoroughfare.
- ❖ **Trimming of Borough Trees** – Residents are not permitted to cut, prune, disturb the roots, or remove any Borough tree. Requests for such work should be written and sent to the Department of Public Works. Trees located in the right of way (between the curb and the sidewalk) are town trees. Only 5 trees can be cut down per year on a homeowner's property. Failure to adhere to the Westwood Shade Tree Ordinance can result in a resident being fined. Residents wishing to plant a tree in the right of way should call the DPW or email the Shade Tree Committee at shadetree@westwoodnj.gov for a list of the approved tree size and species
- ❖ Due to stricter regulations, the Recycling Center will **no longer accept**: plastics numbered 3,4,5,6 or 7, plastic film wrapping; Styrofoam, rigid plastics, hoses, pesticide containers, plastic bags.
- ❖ Curbside garbage includes mattresses, wood furniture and all other household items. No appointment for pickup is needed

Solutions to Stormwater Pollution

Easy Things You Can Do Every Day To Protect Our Water

A Guide to Healthy Habits for Cleaner Water

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.

Limit your use of fertilizers and pesticides

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

Make sure you properly store or discard any unused portions.

Properly use and dispose of hazardous products

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.

■ If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.

■ Use natural or less toxic alternatives when possible.

■ Recycle used motor oil.

■ Contact your municipality, county or facility management office for the locations of hazardous-waste disposal facilities.

Keep pollution out of storm drains

■ Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.

■ Do not let sewage or other wastes flow into a stormwater system.

Clean up after your pet

■ Many municipalities and public agencies must enact and enforce local pet-waste rules.

■ An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.

■ Make sure you know your town's or agency's requirements and comply with them. It's the law. And remember to:

- Use newspaper, bags, or pooper-scoopers to pick up wastes.
- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

Don't feed wildlife

- Do not feed wildlife, such as ducks and geese, in public areas.
- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.

Don't litter

- Place litter in trash receptacles.
- Recycle. Recycle. Recycle.
- Participate in community cleanups.

Dispose of yard waste properly

- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

The Borough plants new curbside town trees every fall and spring. These new saplings are usually 5-6' tall and are planted by the Westwood Department of Public Works. Westwood residents can request that a new town tree be planted in front of their house within the town's easement from the curb to sidewalk. For more information visit Westwood Shade Tree Committee on the www.westwoodnj.gov website.

May

Trees are the Root of our existence.

30	31 Yardwaste Zone 1					

- Reduce, reuse and recycle materials whenever possible to create less waste, which could end up on our streets and contribute to stormwater pollution.
- Pick up trash and litter on your property and put it in the trash. Always use a public trash can for trash in public areas. Recycle any reusable materials, especially cans, bottles and paper. **NEVER** throw litter and debris directly into storm drains. Such debris can wash into waterways and onto beaches, and clogged drains can cause street flooding and traffic congestion.

August

Go green and drink clean.

ACCEPTABLE MATERIALS FOR WASTE COLLECTIONS

- Aerosol Cans
- Anti-Freeze
- Batteries (vehicle & rechargeable only)
- Blacktop sealers
- Bug spray
- Disinfectants
- Drain Cleaners
- Fertilizer
- Fire Extinguishers
- Fluorescent Light Bulbs
- Gasoline
- Glue
- Herbicides
- Insecticides
- Kerosene
- Lighter Fluid
- Mercury Switches
- Oil Filters (used)
- Paints & Varnishes – All Types
- Pesticides
- Photographic Chemicals
- Propane Gas Cylinders (1lb. and 20 lb. only)
- Solvents & thinners
- Thermostats
- Thermometers
- Used Motor Oil

For a complete listing go to
www.bcua.org Materials should be in
original containers and labeled.

2022 Household Hazardous Waste Collections
For a complete listing of collection and recycling event dates please visit
www.bcua.org

UNACCEPTABLE MATERIALS FOR WASTE COLLECTIONS

- Empty or hardened paint cans dispose in normal trash
- Alkaline batteries (AA, AAA, C, D, 9V) dispose in normal trash
- Unlabeled waste or containers with unknown contents
- Regulated medical waste, radioactive materials, and explosives
- Containers larger than five (5) gallons
- Any compressed cylinders (e.g. oxygen or acetylene)
- Pressure-treated lumber or railroad ties
- Computers, electronics, and tires are not accepted at waste collections.

If you need help in the disposal of unacceptable waste, please call 201-807-5825
or visit www.bcua.org.
